

## Sagay Regenerating Ritual

**90 minutes | Php 3,500**

Inspired from the Sagay shell, Sagay Spa's Signature Massage incorporates its richness in calcium that can be absorbed by the body through heat and essential oils leaving your skin moisturized and smooth. The natural curves, smoothness, and unique character of the Sagay shell will smoothly glide and sink in to our body - giving a deep penetration and an effective relaxing treatment.

## Bamboo Massage

**90 minutes | Php 3,500**

Experience a unique technique using warm, rounded bamboo sticks to delve deeper into your muscle tissue. The treatment focuses on rolling and kneading the tissue to release muscle tension and improving blood circulation. It increases the joint and muscle flexibility while creating an extreme sensation of relaxation and well being.

## Deep Tissue Massage

A treatment that has the ability to help release chronic muscle tension through relaxing yet intense touch focusing on specific layers of the muscle. The slow yet deep and sustained techniques will relieve aches and pains and reduce stress and anxiety. An unresolved body tightening and build-up of knots can lead to immobilization and high blood pressure, so treat yourself with a deep tissue massage for a more active body and mind.
